

ERASMUS MUNDUS

# SECRET

## Strengthening Research Collaborations in High-impact and Emerging Technologies

58 scholarships and fellowships are available for exchanges between European Union (EU) countries and Gulf Cooperation Council (GCC) countries.

SECRET is a project under the Erasmus Mundus - Action 2 Partnerships Programme supported and funded by the European Union, for the purpose of:

**Mobility of professionals, researchers and administrators between EU countries and GCC countries.**

The main areas of interest are the STEM disciplines (Science, Technology, Engineering and Mathematics), with specific priority for students and researchers in:

*Electrical & Electronics Engineering, Information and Communication Technology, Photonics, Biomedical Engineering, Computer Engineering, Energy & Power Systems, Informatics and Telecommunication Engineering.*

Candidate*	Duration	Grant subsistence amount
Doctorate	6-36 months	€1,500 per month
Post-doctorate	6 months	€1,800 per month
Staff	1-3 months	€2,500 per month

\*Candidate eligibility conditions apply.

Exchanges can take place between the following partnership Higher Education Institutions (HEIs) in the EU and the GCC:

City University London, UK | University of Magna Graecia, Italy | University of Deusto, Spain | Frederick University of Cyprus, Cyprus | Eindhoven University of Technology, the Netherlands | TU Dresden, Germany | United Arab Emirates University, UAE | Sultan Qaboos University, Oman | University of Bahrain, Bahrain | Kuwait University, Kuwait.
